Home Games - **BOLD**

* - PAC game

Student-athletes of the Presidents' Athletic Conference, along with the league's coaches and administrators, are asking for your support in creating a positive game environment. We love that our fans are passionate, but these are the expectations we have for everyone here:
*Respect student-athletes, coaches, officials and other fans before, during, and after the event; respect means no personal attacks or profanity.
*Substance abuse of any kind during events is not allowed.
*Please allow the coaches to coach, the players to play, and the officials to officiate.
*Disrespectful conduct could mean losing the privilege to remain at this event.
Keep these things in my mind as you have a great time cheering on your team. Be Loud. Be Proud. Be Positive. That's Gameday the D3 Way.

SVC ANNOUNCES ATHLETIC SPECTATOR POLICY

The Saint Vincent College Department of Athletics, in coordination with the Forward Together Advisory Committee and the Presidents' Athletic Conference, has announced an updated fan attendance policy for the Spring 2021 semester.

For the entirety of the semester, no off-campus spectators will be permitted to attend SVC home athletic events. Additionally, for the first two weeks of the semester, SVC home athletic event venues will be limited to participating student-athletes, coaches, support staff and essential game personnel only. The athletic department, in conjunction with the Forward Together Advisory Committee, will continue to review this policy in accordance with the presence of COVID-19 in the community and the region for the potential for on-campus community members to attend athletic events.

"We share in the frustrations that come with limiting spectators for athletic events," said Fr. Myron Kirsch, Saint Vincent College Director of Athletics. "We sincerely hope to be able to open up our athletic events to our campus community at some point this spring. We all have a common goal and that is a successful and healthy spring semester, and one in which athletic events can return to campus for the first time in nearly 12 months."

SVC and other fellow PAC members plan to livestream as many athletic contests as possible. Please continue to check the respective team websites and social media accounts for the latest information regarding scheduling and links to live stats and broadcasts.
